

Professional Peel Aftercare Instructions

Today

- ✓ Refrain from touching the treated area
- ✓ Allow treatment to absorb overnight
- ✓ Enjoy your post-peel glow!

The next 5 days

- ✓ Avoid strenuous activities for 2 days
- ✓ Avoid direct sunlight & extreme heat
- ✓ Wear sunscreen, even indoors

Only use gentle moisturizing products such as those found in the PCA SKIN® Post Procedure Kit

Your routine for optimal results

- ✓ Daily care: keep a professionally recommended regimen at home
- ✓ Regular maintenance: prebook your next **PCA SKIN[®]** Peel appointment and stay consistent with peel series treatments
